Friends of the Whitefish Bay Public Library Book Sale

### Saturday, November 4, 9:30AM-3:30PM Sunday, November 5, 12-3PM

Our semi-annual sales help raise money to supplement the wide range of activities at the Library including reading programs, computer equipment purchases, guest speakers, furniture and much more.

Thanks to the generosity of the community, we have a tremendous selection of gently-used books, DVDs and CDs. Books are sorted fiction versus non-fiction. Most fiction offerings are alphabetized by author. Non-fiction books are for sale by category. So if you have a favorite author, or are looking for just the right book, you'll find it all at the Book Sale.

Reminder: We accept all major credit cards, checks and cash.

On Friday, November 3, our usual Friends Night – for Friends of the Whitefish Bay Public Library - will be held from 5 to 7 p.m. If you're not a Friend, you can join Friday night and attend the Friday night sale for as little as \$15 annually.

### Whitefish Bay TALKS: Frank Lloyd Wright's Wisconsin With Author Kristine Hansen Tuesday, November 14, 6:30PM Please register

#### https://www.wfblibrary.org/our\_events/?eid=1523

America's most famous architect, Frank Lloyd Wright, was born in 1867 in the rolling hills of Richland Center, Wisconsin, to a family of Unitarians. Even with world-class commissions like New York City's Guggenheim Museum, his organic architecture remains rooted in Wisconsin's landscape, from affordable-housing prototypes in Milwaukee to his summer home and architecture school in rural Spring Green. This comprehensive guide to Wright's designs (and those of his protégés) that are open to the public—as well as insider historical information about sites now demolished, and those available for "drive-bys" only—is for the architecture or history fan looking for tours, overnight stays or creative inspiration.

#### About the Presenter: Kristine Hansen

Based in Milwaukee's Bay View neighborhood, Kristine Hansen is a nationally recognized design and travel author with articles published on Travel + Leisure's and Architectural Digest's websites, as well as in Time, Midwest Living, and Milwaukee Magazine. She is also the author of Wisconsin Cheese Cookbook: Creamy, Cheesy, Sweet, and Savory Recipes from the State's Best Creameries.

**1st Place**- I paused for a brief moment and took a deep breath as I glanced over my shoulder, back at the house, despite the smell of gas beginning to fill my lungs. I felt no regret for the man as I dropped the lit match. - Ben T.

**2nd Place-** The house had been abandoned for over a hundred years. She lost her breath when she dusted off the old black and white photograph and saw herself in the photo. - Kelly C.

**3rd Place**- When I saw the love of my life, my heart skipped a beat . . . and then another . . . then a few more beats. She met me later at the table . . . the coroner's table, and, according to him, the cause of my death was cardiac arrest.-Lisa M.

**Teen Winner-** The banging from upstairs explained it all so I must go up to see. As my emotions then began to fall, I knew this was the end for me.- Siena C.
